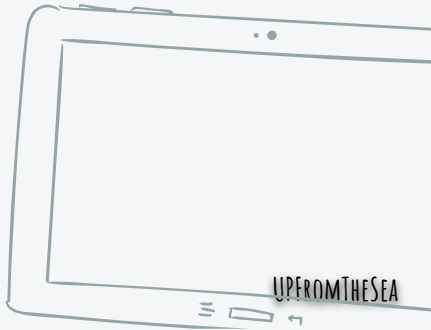
Cooking together with people all over the world

Learning or teaching



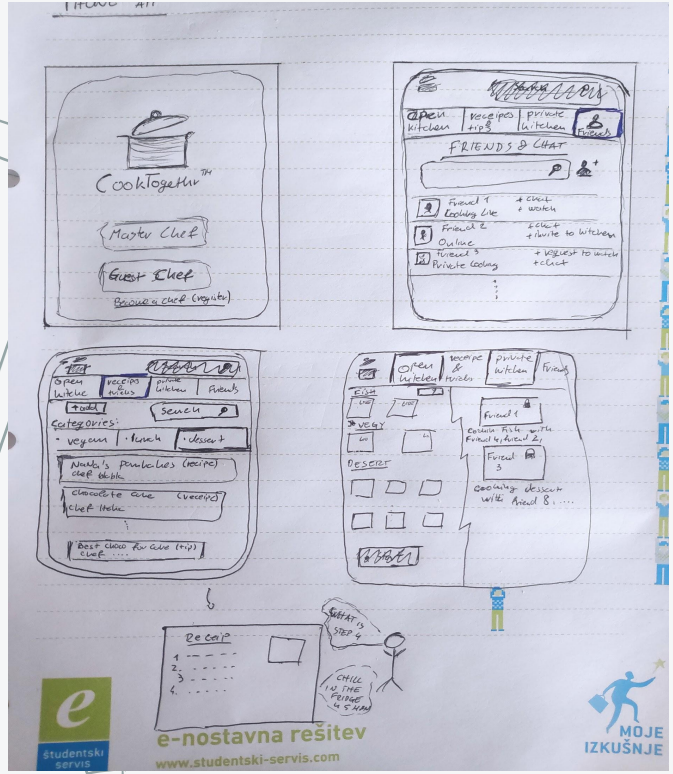
TASKS

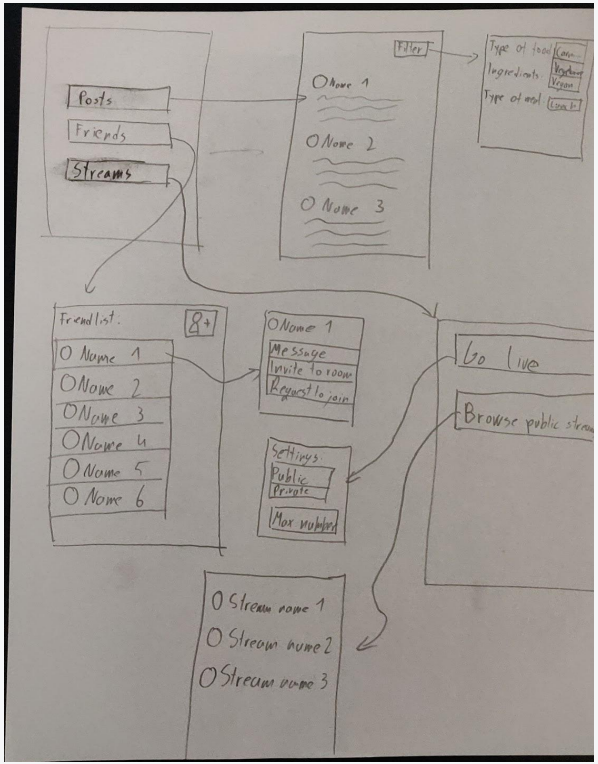
1. *Filter post*

2. *Create a post*

3. *Live cooking*

Paper prototype





Pros and cons:

A. -Too much info on screen,
+Easy to use and understand.

B. -Lack of functionalities,
-Messy,
+ Easy to understand.

Prototype testing

- You want to filter different posts. How would you do that?
- You want to post a new recipe. How would you do that?
- You want to start live streaming. How would you do that?

Feedback

- ✗ Hard to find “filter” button
- ✗ Recipe page requires go back button
- ✗ Bigger font on the titles

Really good!
Could add more flour!
Beer....
