Introduction

Objectives

Tasks

Pictures

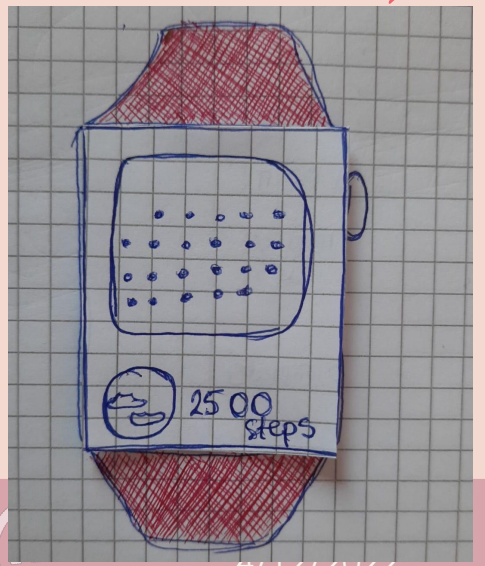
TASK 1 - IMPROVEMENTS

Find the progress section:

- Scrapped all the possibilities
- Made just one screen with the progress as a calendar
- Icons not understandable



Introduction

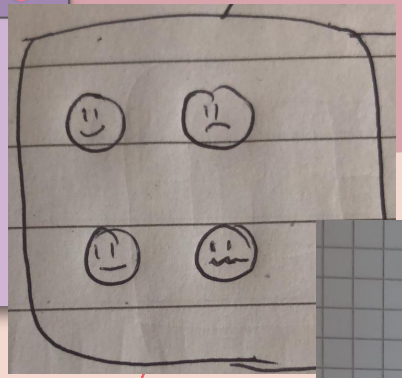
Objectives

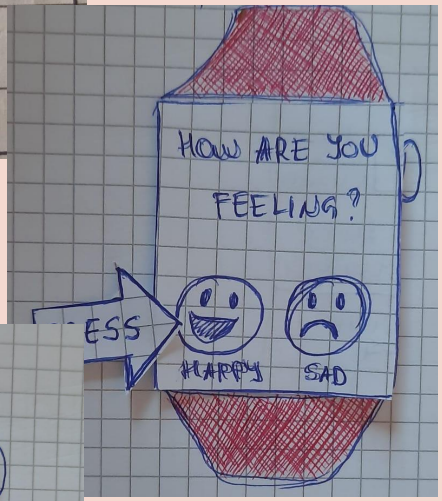
Tasks

Pictures

Tasks

TASK 1 TASK 2 TASK 3 FILE4 FILE5





TASK 2 - IMPROVEMENTS

Fill out your current emotions:

- Put in the text: HOW ARE YOU FEELING
- Slide added due to text

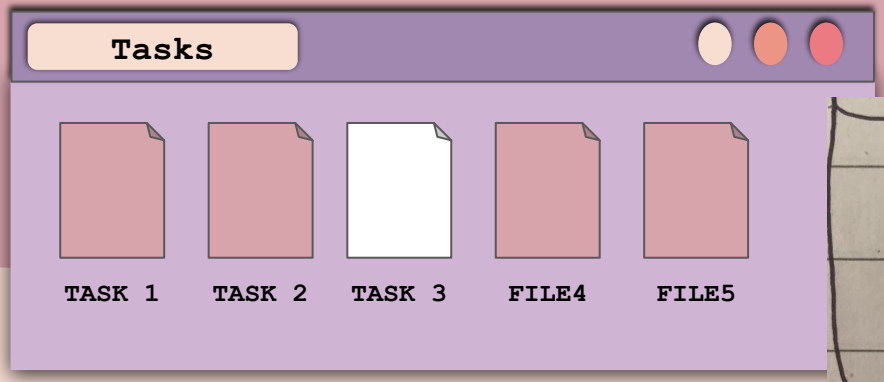
4/12/2022

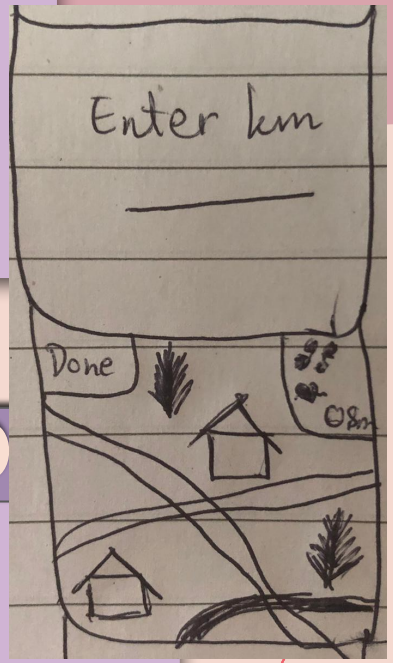
Introduction

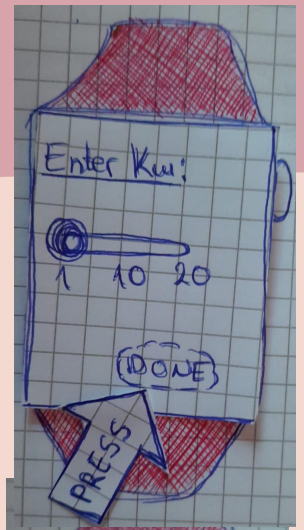
Objectives

Tasks

Pictures







TASK 3 - IMPROVEMENTS

Choose number of km to get a route:

- Slider instead of typing due to screen size
- Made the done button smaller

MEDIUM-FI PROTOTYPE TASK FLOW-TASK 1

LIMITATIONS AND TRADEOFFS

- Not all possible plans are covered
- Pop up notifications are left out
- The user can't type in where he wants to go

REASONS:

- Some functionalities are similar to each other
- The pop ups might cause confusion
- The screen is too small

There were no **Wizard of Oz Techniques**
